

Una Noche de
milagros
paraniños

JUNTOS TODO ES POSIBLE | TOGETHER EVERYTHING IS POSSIBLE

Friday, September 22, 2023 | The Westin Boston Seaport District | 6:30 pm

Una Noche de Milagros para Niños (*A Night of Miracles for Children*) brings together Latino leaders, businesses and supporters for one critical goal: to help Latino children conquer illness. There's nothing like coming together again. Let's celebrate as a community, meet some of the inspiring patient families who rely on us and learn how you help saves kids' lives. Bring your dancing shoes and join us to make milagros for children around the world.

A lifeline for families

Founded on the belief that all children deserve the world's best medical care, Milagros para Niños raises funds and awareness to help Spanish- and Portuguese-speaking children find lifesaving answers at Boston Children's Hospital. It's a **[lifeline providing families](#)** with everything from expert medical care to housing, emergency funds and counseling. The challenges of the past couple years mean our children and families need your help more than ever.

Worldwide reach

Families from every state and more than 100 countries travel to Boston Children's—and nearly a third of those patients are Latino. Many travel from Spain, Latin America and the Caribbean to the one hospital that has cured more childhood disease than any other. Milagros para Niños has raised more than \$10 million to support the care, research and community health programs that serve the global Latino community and make Boston Children's a medical home for all.
